

comprehensive plan of the City of Flowery Branch. It is also intended to implement the "suburban residential" character area established in the comprehensive plan.

- (b) Character. The designs of subdivisions in this district include cul-de-sacs and curvilinear streets. Houses are set back a significant distance from the street. Streets are built to relatively wide standard when compared with traditional neighborhoods. Access to this district is predominantly by automobile but pedestrian mobility is accommodated.
- (c) Permitted and Conditional Uses. Permitted and conditional uses shall be as provided in Table 6.1, "Permitted and Conditional Uses in Agricultural and Conventional Residential Zoning Districts." Land use in this district consists predominantly of detached, single-family dwellings on their own lots at a moderate density (no more than approximately three dwelling units per acre). Site-built dwellings only are permitted (no manufactured homes). Other uses that are compatible with a low-density, residential environment such as recreational, educational, and religious facilities, are permitted or conditional uses.
- (d) Dimensional Requirements. Dimensional requirements shall be as provided in Table 6.2, "Dimensional Requirements in Agricultural and Conventional Residential Zoning Districts." Dimensional requirements such as minimum building setbacks and maximum building coverage are intended to provide for yards surrounding each dwelling.

Sec. 6.4. R-3, Residential Multi-Family District.

- (a) Purpose and Description. This zoning district is intended to implement the "Multi-family residential" designation of the future land use plan contained within the comprehensive plan of the City of Flowery Branch. It is also intended to implement the "urban density communities" character area established in the comprehensive plan.
- (b) Character. This district allows for higher density, urban living environments that provide primarily rental housing opportunities. Access to this district is primarily by automobile, but convenient pedestrian access within the district and with connections to surrounding destinations is required.
- (c) Permitted and Conditional Uses. Permitted and conditional uses shall be as provided in Table 6.1, "Permitted and Conditional Uses in Agricultural and Conventional Residential Zoning Districts." Land use in this district consists predominantly of multi-family dwellings at urban densities (from six to no more than twelve dwelling units per acre). Acceptable uses include multi-family development (apartment complexes and townhouses but not including manufactured home parks) and may also include detached, single-family and two-family dwellings on their own lots. Site-built dwellings only are permitted (no manufactured homes). Other uses that are compatible with the urban density residential environment such as recreational, educational, and religious facilities, are permitted or conditional uses.
- (d) Dimensional Requirements. Dimensional requirements shall be as provided in Table 6.2, "Dimensional Requirements in Agricultural and Conventional Residential Zoning Districts." Dimensional requirements such as minimum building separation and

maximum building coverage are intended to provide for some open space or yards surrounding dwellings.

Sec. 6.5. MHP, Manufactured Home Park District.

- (a) Purpose and Description. This zoning district is intended to implement the "Multi-family residential" designation of the future land use plan contained within the comprehensive plan of the City of Flowery Branch as it pertains to existing manufactured home park use. It is also intended to implement the "urban density communities" character area established in the comprehensive plan, as it pertains to existing manufactured home park use.
- (b) Character. This district allows for higher density, urban living environments that provide opportunities to rent manufactured homes. Access to this district is primarily by automobile.
- (c) Permitted and Conditional Uses. Permitted and conditional uses shall be as provided in Table 6.1, "Permitted and Conditional Uses in Agricultural and Conventional Residential Zoning Districts." Land use in this district consists predominantly of manufactured homes on spaces within a park setting. Other uses that are serve the urban density residential environment such as recreational, educational, and religious facilities, are permitted or conditional uses.
- (d) Dimensional Requirements. Dimensional requirements shall be as provided in Table 6.2, "Dimensional Requirements in Agricultural and Conventional Residential Zoning Districts." Dimensional requirements such as specifications for manufactured home spaces shall be as designated on an approved site plan.
- (e) Limitations on Rezoning. There shall be no rezoning to the MHP zoning district, unless it is contiguous to an existing MHP zoning district, or unless it is designated MHP at the time of annexation into the city limits.
